

JASON'S WOODS

On Friday October 4th, 2019, The Haunt Rater visited Jason's Woods in Lancaster Pa. Jason's has 5 attractions, Horrifying Hayride, Lost in Jason's Woods, Chamber of Horrors, Zombie Apocalypse and Carnival of Fear. The brilliant minds at Jason's Woods keep you on your toes by introducing IMT GEN 4! If you didn't think it could get any better, you were wrong!

LOST IN JASON'S WOODS

We started our evening with a lovely stroll through LOST IN JASON'S WOODS. This haunted trail is by far my most favorite! The twists, turns, going up hill and downhill, famous slashers along the way! What a rush! Walking through woods in the dark is enough to scare the crap out of you, then add the unknown to the mix. Perfect recipe for a #1 Haunted Trail! So, come get LOST IN JASON'S WOODS and let's see if you make it out alive!

HORRIFYING HAYRIDE

Next for the evening we took a ride on the famous, HORRIFYING HAYRIDE. IMT...what?!?! Integrated Motion Technology...again what?? This wagon is going to do some crazy stuff, so hold on! GEN 4! We experienced Gen 1-3 and now there's a 4th! Will it stop there? We hope not. This wagon moves side to side, up and down and it shakes like crazy! I said it before, and I will say it again. If Jason's Woods can't scare you, then they will entertain you. Guess what? They did both! A mix of classic scenes with some new, this is the best haunted hayride you will get on! If you haven't experienced the HORRIFYING HAYRIDE yet, what the hell are you waiting for? Come experience GEN 4 of IMT!!

ZOMBIE APOCALYPSE

Our next stop, ZOMBIE APOCALYPSE. As you navigate your way through dark narrow hallways, you're greeted by the undead! Trying to get out alive will be a difficult task. Nowhere to run, nowhere to hide. Just keep pushing forward and don't look back! We manage to escape without any of us getting infected. Or did we. ZOMBIE APOCALYPSE will give you the practice you're going to need when the world finally goes into chaos and hell!

CHAMBER OF HORRORS

After making it out of *Zombie Apocalypse*, we moved onto *CHAMBER OF HORRORS*. Will we make it of this one unscathed? Seconds after entering the building we get our first scare! You have been warned! As we move forward (reluctantly and most likely to a death we can never imagine) monsters, freaks and ghouls jump out at every possible twist and turn. Our pace quickens, the creatures of this hellish place move even faster. Will this be the end of *The Haunt Rater*? Then out of nowhere, the exit appears. We survived, again.

CARNIVAL OF FEARS

We survived the night. All is good and we get to go home to our families, unharmed. Oh, crap! 1 more to go! *CARNIVAL OF FEARS*! Who doesn't like a lovely fun house filled with funny lovable clowns? Well then move on because that's not what you will find here! These clowns are more demonic then the famous *Pennywise*, as a matter of a fact, they make him seem as lovable as *Ronald McDonald*! Move quickly through this one, or they will be juggling you and your friend's heads at the show!

Jason's Woods continues to impress us every year! Not just the hayride, but overall!! Their acting improves every year, their willingness to show you what *Jason's Woods* is truly about, *FEAR*! Visit *Jason's Woods*, there is a reason they have been around for 33 years and a reason why they are going to be around for years to come!
